The Gospel of Luke From the Outside In

We are living in an extraordinary time: A Time of Mercy. But what is mercy? What does it mean to be living in a Time of Mercy? How can we receive God’s Mercy? And how should we respond? In Doors of Mercy, authors Fr. Jeffrey Kirby and Brian Kennelly answer these important questions. They act as your tour guides on a whirlwind tour of salvation history, from Adam and Eve to the coming of the Savior, and into the present day with the beautiful story of St. Faustina and the Divine Mercy message and
devotion. You’ll discover the intricate stitching of a divine rescue plan that would not be stopped by anything. Across countless generations the Lord’s mercy acted as the lifeblood of this rescue plan, so that neither our own weakness, nor the devil himself, could thwart it. He would deliver us a Savior and a King of Mercy no matter what it took, one who would bring His Kingdom to the ends of the earth, and who would smash the very gates of hell. You’ll discover:
-How the rebellion of Adam and Eve in the Garden affects our relationships with each other, with God, and with the world around us
-Why God chose a rainbow as the sign of the covenant with Noah
-The purpose behind Abram’s name being changed to Abraham
-How the plagues in the time of Moses were not random but had symbolic meaning
-How David’s Kingdom serves as a template, or blueprint, for the Church
-The hidden meaning behind some of Jesus’s well known parables and why the Eucharist is the sign of the new and eternal covenant
-How the Church and her saints have spread mercy throughout the centuries, with short biographies of Sts. Vincent, Camillus, Margaret Mary, Maria Goretti and more
-The history behind St. Faustina’s visions of Jesus and the spreading of the Divine Mercy message and devotion
-How you can continue Christ’s mission of mercy in your own life...

Reshaping It All The Gospel of Luke: From the Outside In - Member Book offers rich spiritual content that is biblically rooted and gospel centered. It includes a small-group experience for 12 small-group sessions, individual study, applicable Scripture, and a group discussion guide written by Dave Morlan, Ph.D and edited by D.A. Carson. Luke brings the gospel of Jesus from the outside in. From start to finish he depicts Jesus as accessible to the unknowns, the outcast, the lost, and the hopeless. Luke shows the stunning embrace of the returned prodigal son and the embittered response of his "righteous" brother. Luke displays Jesus' invitation to Zacchaeus, the hated tax collector eavesdropping on Jesus from the outside and shows the grumbling
response of the crowd on the inside: "He has gone in to be the guest of a man who is a sinner." As Jesus' ministry continues, Luke points out that Jesus' desire was not just to call sinners but to call sinners to repentance (Luke 5:32). That is, through Him sinners could find reconciliation with God. As a result, this return to God by outsiders causes insiders to re-evaluate the biblical story and examine what the foundation of their relationship with God ought to be.

Focus on John In the Lord’s recovery during the past five hundred years the church’s knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In
this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God’s holy Word according to His New Testament economy as this one does.

In his Gospel, we find the foundation of our Christmas stories and the best-loved parables, those of the Prodigal Son and the Good Samaritan. We see Jesus' concern for the poor and the marginalized, especially women and children. And it's Luke who tells us of the repentant thief on the cross and of the risen Jesus accompanying the people on the road to Emmaus.
