Night Chills A brutal killer known as 'The Butcher' is stalking women in New York City. When the police enlist the help of clairvoyant Graham Harris, the horrifying images of the Butcher's crimes replay in Harris's mind-sometimes even at the moment they are happening. Then he sees the most terrifying vision of all: that of his own murder. Harris and his girlfriend soon find themselves trapped on the fortieth floor of a deserted office building. The guards have been murdered, the elevators shut down, and the stairways blocked. The only way out is to climb down the sheer face of the building. But there is a blizzard outside with fifty-mile-an-hour winds-and a dangerous fall from Mount Everest has left Harris paralyzed with fear. He must risk the climb or become the Butcher's next victim. With a new afterword by the author.
